

Participants List (Japan side)

2018 Japan-US Network Opportunity 2 (JUNO2) Principal Investigator Meeting

	Name (without honorifics)	Title & Affiliation	Project	
Guest Speaker	Hideyuki Tsugane	Director, IoT Business Promotion Trend Micro, Inc.		
	Tsutomu Shimizu	Trend Micro, Inc.		
	Chikara Hashimoto	Trend Micro, Inc.		
NICT	Hiroaki Harai	Director General, ICT Testbed Research and Development Promotion Center		
	Nozomu Nishinaga	Managing Director, Global Alliance Department		
	Yuuichi Teranishi	Research Manager, Network Science and Convergence Device Technology Laboratory		
Awardee	Hiroshi Hasegawa	Associate Professor, Nagoya University	"Resilience in Next-Generation Intelligent Optical Networks"	
	Masahiko Jinno	Professor, Kagawa University	"Resilience in Next-Generation Intelligent Optical Networks"	
	Keiichi Yasumoto	Professor, Nara Institute of Science and Technology	"STEAM: Secure and Trustworthy Framework for Integrated Energy and Mobility in Smart Connected"	
	Hayato Yamana	Professor, Waseda University	"STEAM: Secure and Trustworthy Framework for Integrated Energy and Mobility in Smart Connected"	
	Hirozumi Yamaguchi	Associate Professor, Osaka University	"STEAM: Secure and Trustworthy Framework for Integrated Energy and Mobility in Smart Connected Communities"	
	Kazuya Tsukamoto	Associate Professor, Kyushu Institute of Technology	"Resilient Edge Cloud Designed Network"	
	Masato Tsuru	Professor, Kyushu Institute of Technology	"Resilient Edge Cloud Designed Network"	
	Takeshi Ikenaga	Professor, Kyushu Institute of Technology	"Resilient Edge Cloud Designed Network"	
	Kenich Kourai	Professor, Kyushu Institute of Technology	"Resilient Edge Cloud Designed Network"	
	Kenji Kawahara	Associate Professor, Kyushu Institute of Technology	"Resilient Edge Cloud Designed Network"	
	Daiki Nobayashi	Assistant Professor, Kyushu Institute of Technology	"Resilient Edge Cloud Designed Network"	
	Masahiro Shibata	Assistant Professor, Kyushu Institute of Technology	"Resilient Edge Cloud Designed Network"	
	Toru Hasegawa	Professor, Osaka University	"Resilient Disaster Communications in the Social-Media Era"	
	Yuki Koizumi	Associate Professor, Osaka University	"Resilient Disaster Communications in the Social-Media Era"	
	Masakatsu Nishigaki	Professor, Shizuoka University	"Resilient Disaster Communications in the Social-Media Era"	
	Tetsushi Ohki	Lecturer, Shizuoka University	"Resilient Disaster Communications in the Social-Media Era"	
	Yoshinobu Kawabe	Professor, Aichi Institute of Technology	"Resilient Disaster Communications in the Social-Media Era"	
	NICT R&D	Yoshinari Awaji	Director, NICT	"Disaster-Resiliency Strategies for Next-Generation Metro Optical Networks"
		Yusuke Hirota	Senior researcher, NICT	"Disaster-Resiliency Strategies for Next-Generation Metro Optical Networks"
		Sugang Xu	Senior researcher, NICT	"Disaster-Resiliency Strategies for Next-Generation Metro Optical Networks"
Masaki Shiraiwa		Senior researcher, NICT	"Disaster-Resiliency Strategies for Next-Generation Metro Optical Networks"	
NICT Secretariat	Takashi Maruyama	Managing Expert, International Research Advancement Office		
	Masugi Inoue	Director, International Research Advancement Office
