

■The 6th UEC (The University of Electro-Communications) Seminar in ASEAN

Saturday, September 7, 2019, The 6th UEC Seminar in ASEAN was held at Rajamangala University in Bangkok. At NICT Asia Center, Deputy Director Asai participated to introduce NICT and the activities of ASEAN IVO that NICT promote in Southeast Asia region.

First, Koichiro Ishibashi, the Director of UEC ASEAN Education and Research Support Center, started with the opening remarks. Mr. Kubo, First Secretary of the Embassy of Japan in Thailand, who is a guest, has expressed hopes for an event where people who aim to collaborate on research and social implementation meet, as many Japanese research institutions are based in Thailand.

NICT gave a presentation of "Introduction of ASEAN IVO" at "Part V Collaborations with organizations operating in ASEAN", and then Mr. Shimazu of AUN/SEED-NET presented "Update of AUN/SEED-Net Program". And Kobayashi of JST/eASIA gave a presentation of "Introduction of JST activity".
