Title: Bridging Eurasia from Sea: Multilingual Speech Recognition along the Maritime Silk Road

Undeveloped treasure with huge speakers and many languages

欧州諸言語
ABCDEFG

東北アジア諸言語

未開発の諸言語,
22Aarabic+14Turkish+India+Iran+11ASEAN
25億人の言語

Latin, Arabic, Turkish, Devanagari, Kanji coexist. No consistent writing system policy. Language processing has **no standard.**

The communication is **highly accented and language mixed.**

NICT can help!
